Re: Proposed Phase 4 Groundwater Investigation Activities, Gulfco Marine Maintenance Site,
Freeport, Texas

Dear Mr. Pastor,

The Environmental Protection Agency (EPA) and the Texas Commission on Environmental Quality (TCEQ) have performed a review of the "Phase 4 Groundwater Investigation Activities" letter dated February 11, 2008. With this letter, the EPA approves the proposed activities. Therefore, the Respondents are authorized to proceed with the on-site work in conjunction with the remedial investigation and feasibility study activities.

If you have any questions, please contact me at (214) 665-8318, or send an e-mail message to miller.garyg@epa.gov.

Sincerely yours,
